As was the procedure last summer, your pool pass registration will be documented by Abaris upon receipt of your completed application. The list of registered residents will be delivered to the pool before opening day and will remain at the pool throughout the season. When you visit the pool this summer, simply sign your name and address in the sign-in sheet and if your name is listed, you will be allowed access to the pool. This system will avoid the hassle of residents having to carry passes to the pool with each visit and lost, missing or stolen passes, etc.

Due to the high volume of pool pass applications received by our office, you must be sure to submit your application **no later than Monday, May 11, 2026, in order to have your pool pass registration processed and delivered to the pool in time for opening day. Please be advised that there will be no walk-in service for pool pass applications which are processed on a first come, first serve basis. Pool passes are delivered to the pool weekly throughout the season.**

Please note that the pool will be open one weekend before Memorial Day, May 16 & 17, 2026, weather permitting. The pool will be open daily from Saturday, May 23, 2026 – Monday, September 7, 2026. The pool hours this summer will be as follows – **please note earlier opening time on Saturday, Sunday & Holidays:**

Monday - Friday	12:00 p.m. - 8:30 p.m.
Saturday, Sunday & Holidays	10:00 a.m. - 8:30 p.m.

All residents should be aware that the pool management company has been given strict instructions to check pool registration for every resident and to require that every resident sign-in when entering the pool facility each day they swim. Each resident is allowed to bring a maximum of five guests to the pool throughout the season. Owners who wish to convey their rights to use the pool facility to their tenants must submit a copy of the current lease along with the completed application. Have a safe and happy summer!
